

# Halloween Jinx - BOO

Give each of the players a bag with 10 pieces of wrapped candy in it. Throughout the party, players try to catch other players saying one of these words:

HALLOWEEN, CANDY, WITCH, PARTY, GHOST, PUMPKIN

If you catch someone saying one of the words on the list, you have to say 'Jinx - Boo!', the person who gets caught gives a piece of candy to the first person who screams out the phrase.
