

Halloween Video Scavenger Hunt

Create two or three teams depending on how many participate in the costume scavenger hunt. Each team will a video camera to record the scavenger hunt and they get 2 hours (can be adjusted) to complete various tasks and get select items.

Here are some task ideas:

Go to a video rental store and find out what year the movie Halloween was made.

Go to a grave yard and find a specific name on a tomb stone.

Take a video with a Taxi or bus driver.

Find a cop in a donut shop and get a video with him.

Go to a grocery store find out how much a specific item costs.

Go to a bar find out how many brands of beer they serve.

Find a stranger who will let you wrap them up in toilet paper like a mummy on video.

And so on...

When the teams get back we have the most fun watching the videos, especially the people who came to the party that didn't go out on the Scavenger hunt!

Thanks, Brian - Cleveland
