

Pumpkin Bowling:

Object of Game: Knock over the bowling pins. Make a strike or a spare.

Preparation:

1. Select several small pumpkins about four to six inches in diameter. You need extras in case a few split or break.
2. Place plastic (children's set) of bowling pins several feet away on the lawn or floor of the room.
3. A great alternative to bowling pins are plastic liter bottles. Let the kids decorate them with Halloween objects before the game.

Playing the Game:

1. Measure off several feet.
2. Give each child two tries to knock down the pins.
3. A strike is worth two pieces of candy.
4. A spare is worth one piece of candy.
