

Pumpkin Golf:

Object of Game: Hit the golf ball into a pumpkin.

Preparation:

1. Carve out a pumpkin. Make the mouth extra large.
2. Build a cardboard ramp about one to two feet side from the ground to the bottom of the pumpkin's mouth.
3. You will probably need some support under the cardboard.
4. Tape the ramp to the floor for stability.
5. Mark a starting point a few feet from the start of the ramp. The older the kids, the farther away.

Playing the Game:

1. Each player gets to hit a golf ball three times.
2. Each time the ball goes into the pumpkin, the player wins a piece of candy.
